DieselCube

All Makes
C.R. Injectors Tester
Bosch, Delphi, Denso, Siemens, Piezo

1800 Bar - CP3 supply

00 037 15

Universal machine for CR injectors dimensioning components
Bosch, Denso, Delphi, Siemens

Time saving machine for the reconstruction of the Common Rail injectors.
Place the components in specific slots. The machine determines the various units, manually or automatically and calculate the various thicknesses to be used for a correct calibration of the injectors

00 050 79

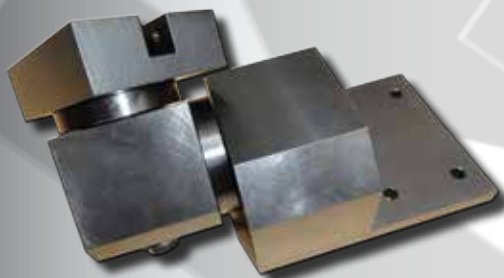

Nozzle Lifter Common Rail Injectors
all makes

To be used for Common Rail Injectors
Bosch, Denso, Delphi, Siemens

00 050 83

**Equipment for extraction/insertion
bushing stop of injectors**
CRI 2-1 - solenoid mounting

00 036 41

Universal Bend Vice Clamp
for UIS/PLD and C. R.

used for injectors Common Rail
and UIS/PLD systems

00 036 43

**Digital torque angle wrench with
PC connection and CH 27**

for Common Rail Bosch, Denso, Delphi, Siemens
